What is Heritage Open Days?

Every year in September, thousands of buildings and places of every age, style and function open for FREE, attracting over two million visitors. Nationally, we now celebrate twenty years as the largest cultural event in England.

Gosport ran the first pilot back in 1992 and has been bringing you quality events ever since. This year more local events showcase our wealth of heritage, provide variety for all ages and interests, and bring new events keeping our programme fresh and exciting.
